JAN STERNENBERG (34) of the district champion Canyon Eagles drives the lane for the opening basket of the fourth quarter in Canyon's 58-55 title-clinching win over the defending state champion Tulia Hornettes. Miss Sternenberg, who scored seven points at crucial stages in the game, put Canyon ahead 44-35 on

this basket with 7:56 left to play. Tulia guard Lillie Morris (13) looks on, while contesting for position are Tulia's Ka Hughes (55) and Canyon's Susan Swatzell (44).

Trip State Champs

Girls Nail Crown

BY JON LOW
Canyon High's girls basketball team defeated the defending state champion Tulia Hornettes 58-55 to clinch the district championship Tuesday night in the CHS Gym. The Eagles thus advance into the state playoffs.

The winning Eagles rode high scoring performances by Pam Richardson, who flipped in 31 points, and Susan Swatzell, who scored 20 despite being covered by all-state guard Mary Williams, but Canyon needed stellar defensive performances by guards Gayle Swatzell, Cheryl Davis, and Beverly Brown to

check a balanced Tulia scoring attack.

Coach Bob Schneider said that definite playoff arrangements would be formulated within the next few days, but the Eagles would go to regional in about two weeks, probably meeting San Angelo Lakeview there for the right to go to the state tournament.

Canyon finished the regular season with a 19-9 record and a perfect 4-0 district slate.

Behind as much as five points in the first half until taking the lead just before intermission, Canyon roared to a 12-point command three times in the final period before the Hornettes caught fire and narrowed the gap. The Eagles led 52-40 with only 4:47 remaining but had to hang on for dear life to beat off the Tulia rally.

Tulia closed to within three points with 30 seconds to play and had the ball under the Canyon goal where a three-point play could have sent the game into overtime. However, a Tulia forward was called for traveling just before she got her shot away with 16 seconds showing, and Canyon controlled

the ball until the buzzer sounded.

Gayle Swatzell led the Eagle rebounders with seven, Beverly Brown and Linda Dudenhoffer had six and five, respectively, and Susan Swatzell was high among the forwards with five. Cheryl Davis turned in an aggressive defensive game at guard. Forward Jan Sternenberg played alertly and added seven (clutch) points to the Eagle score.

Tulia's biggest lead came at 5:35 to go in the first half when the Hornettes jumped ahead 16-11. Canyon fought back to tie it up 22-22 on a 10-foot jumper by Miss Sternenberg with 1:20 showing. Miss Richardson put the Eagles

ahead twenty seconds later with a swishing jumper from the side of the lane, but Tulia drew even. With five seconds left Susan Swatzell put Canyon ahead for halftime by grabbing a rebound under the basket and flipping it back in for 26-24 lead.

Canyon never trailed in the third quarter, although Tulia drew even three times early in the period. Miss Sternenberg's jump shot from the lane gave the Eagles a lead they never relinquished when she put Canyon in front 32-30 with 4:25 left in the third period. Canyon downed Panhandle 68-61 here last Friday as Miss Richardson and Miss Swatzell scored 34 and 21 points, respectively, and Cheryl Davis led guards Gayle Swatzell, Linda Dudenhoffer, and Beverly Brown in a strong defensive effort.

Decision to employ an engineer to study the Canyon Junior High School building was approved at a meeting of school trustees Tuesday evening.

Joe Gill, board member, suggested the expert be hired to determine if the junior high should be remodeled or a new facility constructed.

"We should fine out what is best and economical for the whole school district," declared Bill Davis, trustee.

"Let's hire someone to tear into the floors and look it (building) over," Gill stated.

Lions Hold Conference

Some 500 Lions Club members from over District 2-T1 met here in Canyon last week end for a mid-winter conference.

Canyon Lions Club was host to the group. Kenneth Waugh of the Canyon club is district governor.

Theme of the meeting was sight conservation with emphasis on the High Plains Eye Bank. Through the eye bank people can will their eyes after death and parts of the eyes can be used to restore sight of others.

Spotlight for the meeting was on Mrs. Joyce Raymond of Conway. Mrs. Raymond, who had

Beneficial Snow Falls Over Randall County

The three to four inches of snow that fell in Canyon and Randall County Monday and Tuesday will be of benefit to both the farmer and cattle raiser.

"We can see nothing this will not help", Randall County Agent John Brazzil said of the recent snow.

Not only did the snow add much-needed planting moisture to the soil and help wheat that is now in the spring growing stage, but also aided will be the rancher.

While Brazzil said it is estimated one inch of snow will equal .10 inches of moisture, the figures vary somewhat.

Spring plowing, that began after a recent two-inch rain, has been temporarily halted, Brazzil noted, but the farmers are experiencing "little to no" problems.

Wheat pasture is now covered with snow and ranchers are being forced to haul bundles of feed and hay to their grazing cattle.

Much of the wheat, Brazzil explained, was "dry planted" and many acres of the grain are just now coming up. Some of the wheat has been growing since mid-January and pasture land has been good for the last three weeks.

The cattle, which Brazzil noted have "done better" than in past years, will probably be removed from the wheat pasture in mid-March.

There is some greenbug buildup and a possibility of insecticide spraying for the insects in late March and early April.

"The wheat plants are

\$60,000 Grant For WT Summer Math Institute

A grant of more than \$60,000 has been received by the West Texas State University mathematics department from the National Science Foundation to conduct a summer mathematics institute.

Third institute to be arranged at WTSU through the NSF for high school teachers, the summer program will be staged June 24-Aug. 16, according to effort.

Awards Banquet Opens FFA Week

National Future Farmer of America Week will be highlighted in Canyon Monday night with an annual "parent-son" banquet at 7:30 p.m. in the Canyon High School cafeteria.

Dick Cummins, president of the Canyon FFA chapter, will serve as master of ceremonies for the banquet. Cummins also serves as president for the Amarillo FFA District.

Bill Sarpolis of Clarendon, Area I FFA president, will be the main speaker on the pro-

gram. Banquet events will include the presentation of two honorary chapter farmer degrees to two men of the community who have assisted and been beneficial with the school's FFA program, according to Marcus Phillips, vo-ag instructor.

Other awards slated include the "outstanding greenhand" to a first year FFA student; the "outstanding chapter farmer" award; and the "outstanding FFA student" award. Numerous other awards will also be given on the program.

Phillips and Jim Walker, vo-ag instructor, will assist with the presentation of awards. FFA members, their parents, and other invited guests are expected to attend the affair.

National FFA Week will open here Sunday with members of the organization attending a church service together.

Tuesday, Lowell Catlett will

Voter Count Is Continued

Final voter registration in Randall County for 1968 will probably total 22,500, said Tax Assessor Collector Bill Money.

While earlier figures had set the final tally near 25,000, Money said two boxes containing registration forms were unopened in the South Amarillo sub-station.

There are also many people who registered both in person and by mail, thus causing many voided forms, he explained.

Blood Drive Continues

Only 55 pints of blood for 11-year-old Russell Haberman, youth hospitalized at Wadley Hospital in Dallas with leukemia, have been collected in Canyon during a recent drive.

Winston Hall, chairman of a Kiwanis Club-sponsored drive to obtain blood for the youth, said the Coffee Memorial Blood Center would be open here each Tuesday and Friday from 10 a.m. until 3 p.m. for those wishing to contribute.

A drive is also being conducted on the West Texas State University campus. The male and female greek organizations donating the most blood will be awarded community service plaques. Date of the presentation has not been scheduled.

Hall said any group wishing to contribute at times other than regular blood bank hours could do so by appointment.

Young Haberman is the son of Mr. and Mrs. Bill Sterling of Canyon. He was hospitalized in Dallas last November.

Ag Boosters Meet Tonight

Jack Tompkins will address the Area Ag Boosters tonight, Thursday, at 7:30 p.m. in the Canyon High School cafeteria.

Tompkins is farm director for KFDA television, Channel 10, in Amarillo. He will speak on "government policies in agriculture".

All interested persons are urged to attend the session.

MRS. ANN DAWDY

OYWA Listing For Ann Dawdy

The biography of Mrs. Ann Dawdy, No. 7 Bramblewood Lane, Hunsley Hills, will be included in the annual biographical compilation of "Outstanding Young Women of America" for 1967.

An active clubwoman and mother of two, Mrs. Dawdy graduated from Canyon High School in 1954, where she was a member of the National Honor Society. She then attended the University of New Mexico in Albuquerque and returned to Canyon to marry Dick Dawdy, son of the late R. V. Dawdy and Mrs. Dawdy. Dick's mother still resides in Randall County at Sunday Canyon.

The Dawdys have two chil-

ren, Stephanie, 11, is a sixth grade student at Rex Reeves Elementary School and Tom, 10, is in the fourth grade.

In January 1967, Mrs. Dawdy returned to studies at West Texas State University where she is presently a first semester junior elementary education major. She is a member of the Mary E. Hudspeth Honor Society at the University.

Mrs. Dawdy is a member of Zeta Tau Alpha alumnae, having served that group as vice president last year. She is also active in the Little League Mother's Auxiliary and has served as a Cub Scout den mother.

She has served as organizer (See OYWA Page 6)

FROM THE
CANYON RIM

There's nothing to put a smile on a wheat farmer's face like a little snow.

Snow seems to do something for the wheat plants besides supply moisture. I'm sure there's a scientific explanation for what it is and John Brazzil undoubtedly knows.

I just know that snow is one of God's finest gifts.

I remember being stationed down in the Arabian desert for several months. I was sent to Tripoli and then to Ankara, Turkey. I'll never forget that when my plane finally settled down on the runway of Ankara's commercial airport and the doors of the big transport slid back, I stood there looking at a field of beautiful snow. I don't think I have ever seen anything quite so exhilarating.

I took a staff car to the hotel in Ankara, stowed my gear and within a few minutes I was outside kicking about in the snow. Natives stared at me, another crazy American standing there in my shirt sleeves in the bitter Turkey cold knee deep in snow.

Well, it has been 20 years since I was billeted with a group of RAF boys on the Trucial Coast of Saudi Arabia and I haven't gotten cooled off yet.

Snowy, cold weather is my dish.

The Pueblo affair is a disgrace. I have always believed that a soldier should follow the flag and by the same token the flag should follow the soldier.

I think we should expect unhesitating loyalty from our soldiers and sailors in the field but by the same token, I think they should expect the same from us.

Remember the Smyrna incident. An American citizen had been kidnaped by the Austrians from the Turkish port city of Smyrna. He was being held prisoner on board an Austrian ship in the harbor.

An American ship also was anchored in the same harbor. When the American captain learned of the incident he sent a message to the Austrian captain. "Release your prisoner or we shall secure his freedom with grape shot and round shot."

The American was released. We are not going to effectively serve the cause of freedom until we finally draw a line and declare our intention not to retreat another step. We can preserve the peace more effectively by being ready to go for broke than we ever can by retreating inch by inch before an implacable foe.

There has been a big fracas over garbage collection in New York City. New Yorkers look upon us as hicks. They may be right.

Even before the garbage collector strike in New York, the garbage collectors already were drawing more pay than the average Texas school teacher.

A great deal of concern has been expressed over proposals to expand the city dumpground. I hope to be able to look into the proposed expansion and have more information in this space next week.

A degree plan can be messed up and cost a student an extra semester or two in preparing for graduation.

I know one student who demanded and got a notarized copy of his degree plan complete with signatures of college officials just so there wouldn't be any slip ups.

35 Students
Installed By
Honor Group

Thirty five students were installed into the National Junior Honor Society at Canyon Junior High School last Thursday.

Janna Johnson is president for the junior high chapter. Other officers are Bruce Cramer, vice president; Rebecca Haley, secretary; Bill Reynolds, treasurer; and sponsors, Irene Ball, Wayne Phemister and Dorothy McClure.

The induction was conducted by Canyon High School president of the National Honor Society, Robert Olson, with assistance from Ronnie Russell, Mary Mitchell, Bea Thompson and Marsha Hardaway. Mrs. Ilona Smith is sponsor for the CHS chapter.

Will Form
Horse Club

Randall County boys and girls who have horse projects can become charter members of a new horse club being formed.

The initial meeting will be held at the Animal Husbandry Pavilion at West Texas State College Farm one mile north of Canyon Thursday night, February 22. The meeting will start at 7:30 p.m.

The leader of this group will be Chuck Smallwood. Chuck is a qualified instructor. He will be assisted in the organization by his father, Dr. Charles Smallwood, Head of the Agriculture Department at West Texas State. Other adults will serve as resource people.

The horse club will be formed under official 4-H Club rules. The age for membership will be from 9 through 18 years. There will be no membership fee. Present 4-H club members as well as those not now club members are invited to attend the initial meeting. Parents of all prospective horse club members are urged to attend. John Brazzil, County Agricultural agent, can furnish additional information on this new youth organization.

Mr. and Mrs. Wylie Hannah of Tulsa and sons, Bruce and Brian, visited during the week end with her parents, the Earl Millers.

ROBERT LEE

Happy Man
Presented
Scout Award

The highest adult honor for Boy Scouting work and advancement was awarded to Robert Lee of Happy recently at the Llano Estacado Council's annual awards banquet held at the Caprock High School cafeteria in Amarillo.

Lee was awarded the "Silver Beaver" award at the affair. He is a council commissioner on the governing board of the Llano Estacado Council and is a representative for the Randall District.

A native of Shamrock, Lee has been working with scouting since 1954 when he served as cubmaster for Happy's Pack 34. He served as cubmaster for several years and has continued to work with scouting by serving as neighborhood commissioner and finance chairman in his community.

He received his bachelor's degree in education from West Texas State University and is in partnership with a brother-in-law, Dale Whitlow, in the concerns of Whitlow-Lee Lumber Company in Happy and the Happy Elevator.

In 1950, Lee married the former Joline Whitlow of Happy. The couple has two sons, Bob, 16, and Don, 12. Both sons are active in scouting at Happy.

Seminar
Feb. 28

More than 100 people are expected here Feb. 28 for an election law seminar to be held on the West Texas State University campus.

In charge of the seminar will be Mary K. Wall of the office of the secretary of state in Austin.

Attending will be county clerks, county judges and chairmen of both Republican and Democratic parties from Panhandle and some South Plains counties.

School Week
Is Upcoming

Texas Public School Week will be observed by schools of the Canyon Independent School District during the week of March 4-8.

A variety of events are being planned for the observance which is an annual visitation period for parents and other interested persons.

Highlight of the annual observance will be openhouse activities at Canyon High School, Canyon Junior High, Rex Reeves Elementary School and Gene Howe School.

SAFETY CONTROL, fastened in the trunk of your car, operates on a basic principle of physics - that every action is accompanied by an equal and opposite reaction. When a skid begins, the rear end of the car moves sharply to the side. The SAFETY CONTROL housing moves with it because of inertia the weight inside stands still, compressing a spring on the opposite side.

This causes a counter force movement of the weight which tends to overcome the skidding momentum of the car. The more violent the skid the more pronounced the counter movement of the SAFETY CONTROL. The SAFETY CONTROL device is constantly in motion as your car moves along, sensitively counter-balancing every shift in body and frame.

Remember, your front wheels control your destination. . . but your rear wheels control your destiny.

Junior FHA Chapter Has Banquet

Canyon Junior High School chapter of the Future Homemakers of America conducted an annual banquet recently at the school cafeteria with the theme featuring "hearts and roses". About 135 members and guests were present for the chicken buffet supper. Invocation was given by Rebecca Haley, first vice president.

Martha Sykes, chapter president, welcomed members and guests and introduced the FHA officers.

Mrs. Nadene Lyles, FHA sponsor, announced that Beth Starnes and Kim Tucker had been selected to represent the chapter at the Ima Dee Choir for the Area I FHA meeting in Amarillo March 16. The choir will be directed by James D.

Crom of Wayland Baptist College, Plainview. Martha Sykes will serve as the chapter's voting delegate at the area meeting.

PTA Boards Meet Tuesday

A meeting of Parent-Teacher Association executives will be held Tuesday at Rex Reeves Elementary School to plan the spring conference for District VIII.

Sessions will begin at 10:30 a.m. with the district executive committee and members of the executive boards of Rex Reeves and Gene Howe PTA meeting in separate morning sessions.

Following a noon luncheon, a joint session for the three boards will be held.

A musical group from Canyon High School consisting of Hal Owens, Pat Jarrett, Terry Landrum and Buddy Roland presented entertainment on the program.

The FHA Prayer Song concluded the program.

Guests for the event were FHA sponsors, Mrs. Nadene Lyles and Mrs. Jackie Brewster; Dan Trew, principal of Canyon Junior High School, and Mrs. Trew; Jerry Jacobs, superintendent of schools, and Mrs. Jacobs; and mothers including Mesdames Paul Lindsey, P. A. Caraway, Jack Haley, John Brazzil, Crawford Ruthart, Tommy Tucker and Billy Bible.

TV Recorder Given WTSU By GE Corp.

A General Electric solid state television recorder valued in excess of \$2,000 was presented to West Texas State University officials Tuesday afternoon in the formal lounge of the Fine Arts Building.

Making the presentation were David H. Buck, sales engineer for General Electric Corporation branch in Amarillo, and M. H. Clack, representative for Audio-Video Corporation of Amarillo.

"This equipment is to be used by the university as they see fit," stated Buck in his presentation. "This is the first machine of this type placed in the schools of the area, although some similar recorders are located in other area schools."

"The television recorder is excellent to use in the teaching field. It will record up to one hour at a single setting, has interchangeable tapes, and is a mobile unit," Clack noted.

"It could be used to record television programs for use in the classroom... or to emphasize other points in teaching, such as the musician's use of his lips while playing an instrument or the vocalists' facial expressions while singing," added Dr. John Green, head of the music department.

The General Electric Corporation made the presentation as part of an educational aid program benefitting schools of the nation. The corporation also sponsors the "GE College Bowl" where numerous colleges have received funds for student participation. (West Texas State University sponsored a team on the television program in the past.)

Buck also stated that about 905 colleges have received grants and equipment in excess of nine million dollars worth during the corporation's existence.

TELEVISION RECORDER valued in excess of \$2,000 was presented, from left, by M. H. Clack and David H. Buck to West Texas State University Tuesday afternoon on behalf of the General Electric Corporation. On hand to

accept the gift were Dr. Walter H. Juniper, academic vice president, Dr. John Green, head of the music department and Virgil Henson, financial vice president.

Catfish Stocked Into Lake

Between 3,000 and 6,000 catfish were dumped into the waters of Buffalo Lake National Wildlife Refuge this week.

The fish, about 99 per cent of which are channel catfish and the remainder are blue catfish, were transferred here from the Austin National Fish Hatchery, a federal fish installation. The stocking operation

is a joint effort of the Texas Parks and Wildlife Department and the national wildlife refuge.

Jack Crabtree, fisheries biologist with the state agency, said the fish weighed between one-half and two and one-half pounds and were all considered "catchable".

Buff Cagers Ring Up Fourth Victory

West Texas State University's Buffalo cagers are riding a crest of four straight victories after wins over Oklahoma City University's Chiefs Saturday night and Hardin-Simmons Cowboys Monday night.

The games were unreeled in the Fieldhouse on the West Texas State campus.

The Buffs trampled the chiefs 105 to 87 and then defeated the Cowboys 84 to 65.

The win over the Cowboys was the fourth straight victory for

the improving Buffs. The Buffs were down 9 points at halftime.

Simmie Hill poured in 21 points to lead the home towners while Mike Mitchell scored 24 points for the visitors.

The victory was the second against HSU within a week. The first was an 80-70 affair at Abilene.

Maurice Savage was the hero of the second half. He scored 12 of his 13 points during that period and snagged 16 rebounds.

The Cowboys took the first lead with 5:36 remaining in the first half and increased the lead to 41-32 by intermission.

The game with the Chiefs has been described as the best of the season for the Buffs. They broke a 7-game winning streak for the chiefs.

The Buffs took the lead with a score by Mitchell with 13:35 remaining in the first half and were able to maintain their advantage point for the remainder of the game.

The Buffs were nine points ahead on three separate occasions in the first half.

Simmie Hill led the Buffs in the first half with 23 points as they went to rest with a 54-47 margin.

In the opening minutes of the second half Mitchell inspired the Buffs. He hit the first nine WTSU points of the second half, even though he was guarded by 5-10 Rich Travis, OCU's high-scoring guard.

Another high scorer for the

Buff was David Nowlin, who connected on his first five shots for a total of 10 points and did an outstanding job on the boards.

Mike Horton, Adrian sophomore, scored 10 points for the Buffs. He has made steady improvement during the season.

OCU's Travis, who entered the game as the nation's sixth ranking scorer, scored only 8 points in the first half but got hot in the second half to bring his scoring up to his average of 28 points per game.

Other scorers for OCU were Ron Koper, 18; Ardell England, 15 and Joe Hayes 13.

The Buffs will play their next game at 8 o'clock Friday evening at Shreveport against Centenary. They will return to Canyon Feb. 24 for a game with the Miners from Texas Western.

Baptists Set Enlargement Week Emphasis

Sunday School Enlargement Week at the First Baptist Church will be held February 19-23 with Bob Strohle, minister of education for First Baptist Church, Amarillo, and Ken Baker, minister of education for First Baptist Church, Canyon, in charge of the five sessions.

Events Monday through Friday will begin each evening with a supper at 6 p.m. and the varied programs are set at 6:30 p.m. each evening.

The overall theme of the programs will be a study of Wednesday prayer services, Sunday morning services, visitation and Sunday School pre-enrollment.

Sessions will include: Monday, Nursery-Primary workers; Tuesday, Junior-Intermediate I workers; Wednesday, joint session for all Sunday School workers; Thursday, Intermediate II-Young People II workers; and Friday, Married Young People-Adult III.

Parachutes?

PARACHUTES have been incorporated in the physical education program at Rex Reeves Elementary School. Lowell Weaver, physical education, instructor is shown in the background as about 20 elementary students surround the parachute for an unusual type of ballgame. Weaver said that the "parachute is

an excellent piece of equipment to be used for a group activity with about 60 kids at a time." He also explained that the parachute is good for isometric exercises and develops the large muscles of the upper body, as well as being of benefit in teaching teamwork.

Lecturer To Speak To Group

A national lecturer for the Society of the Sigma Xi and its affiliated society, the Scientific Research Society of America, will speak Feb. 21 at West Texas State University.

He is Dr. Donald B. McIntyre of the Seaver Laboratory at Pomona College. He will speak on "X-Ray Fluorescence: A New Tool for the Petrologist." The address will be at 8 p.m. in the ballroom of the Student Union Building, and the public is invited.

His address at West Texas State is one of 15 he is to give for Sigma Xi clubs in Texas, Louisiana, Oklahoma and Arizona during the month of February.

A native of Scotland, Dr. McIntyre earned his Ph.D. from the University of Edinburgh, and for his work in structural geology and petrology in Switzerland, he was granted the D.Sc. degree.

Dr. McIntyre left Edinburgh in 1954 to become chairman of the geology department at Pomona College. He became interested in using X-ray spectroscopy for rapid chemical analysis of granitic rocks in 1960 and has published widely in scientific journals results of his research.

her sight restored after 11 years of blindness, was introduced at half time at the West Texas State-Oklahoma City University basketball game.

Several other people connected with the eye bank were spotlighted at the ball game.

W. T. Nelson of Dallas was principal speaker at a banquet Saturday evening. He emphasized sight conservation and talked about the operation of the eye bank.

"We must be concerned about other people," Nelson told the group. He said working for sight conservation is an important way of demonstrating this concern.

Floyd D. Hamman, Lions Club international director from Phoenix, Ariz., outlined a four-point program for better Lionism as he spoke at the Sunday luncheon meeting of the group.

He said Lions must be concerned for an education for all, enough to eat for all, self government for all and human dignity for all.

He said Lions around the world are helping people reach these goals.

"Happiness and peace come only through giving something to someone else," Hamman declared exhorting his fellow Lions to further service.

"Our children will solve some of the problems we have failed to solve," he continued. "I believe in the future. Nothing great was ever accomplished without great effort."

George Dowlen, president of the Canyon club, presided over the Sunday noon luncheon meeting.

The gathering heard remarks from Waugh and past district governors were recognized. A girls trio from West Texas State University provided vocal entertainment for the occasion. Miss Marilyn Smith, district Lions Club queen, spoke briefly.

Grant . . .

Dr. H. L. Cook, department head and director of the institute.

Dr. Cook will be assisted by David Lasher and Fletcher Moseley, assistant professors of mathematics. A total of 50 participating teachers will be selected, with preference going to teachers who have had at least two years experience.

Two courses in modern mathematics will be offered during the institute which may be credited toward the masters degree. Besides the course work, participating teachers will have special seminars, visiting lecturers, and field trips as part of the institute's program, Dr. Cook said.

item of business at its regular meeting Monday. Larry C. Wright, vice president of Amarillo National Bank, and John Brazzil, Randall County agent, were appointed to the county veterans land board. The board will screen applicants for loans under the Texas veterans land program. A third member of the board will be appointed at a later date.

So far, no action has been taken on proposed purchase of 150 punch-card voting machines. Bids from three firms on the machines have been received.

A meeting of area local governments will be held at 3 o'clock Friday afternoon in Randall County commissioners court room to further discuss a Council of Governments program.

Represented will be Canyon city commission, Randall and Potter County commissioners courts and the Amarillo city commission.

MARATHON HOPEFULS Frank Mayfield, left, and Frank Belcher get in their last long run before departing for the 26-mile Artesia Marathon this weekend. The pair of local 15-year-olds, who represent the Meteor Track Club here, will pit their endurance against older contestants from several states over a 26 mile, 385 yard course west of Artesia, New Mexico this Saturday. One of the contestants is a blind woman from California, while numerous collegiate distance stars are expected to compete. The two are shown here between Canyon and Amarillo as they put in their last distance run Tuesday afternoon despite freezing temperatures and snow. Belcher's dog, who often accompanies him on his workouts, probably won't enter.

Available flavors this year will include a coconut cookie called The Pixie and the traditional mint, savanna, scot tea and sandwich cream.

The cookies sell for 50 cents per box, of which 28 cents will remain in the local scout treasury, according to Mrs. Jolly.

"The troop which does the selling will get a nickel of the profit for itself," said Mrs. Jolly, explaining that the remaining 23 cents from each box sold will go into the general fund for Girl Scouting in Canyon.

"We use our share of the funds," said Mrs. Jolly, "to help pay off the building debt, for building maintenance and for projects and work of the Girl Scouting program here."

Five-day outlook prepared by the US Weather Bureau in Amarillo shows near normal temperatures through Monday. Temperatures will, however, drop slightly toward the weekend when .10 to .25 inches of moisture in the form of rain and snow is expected.

Temperatures are expected to increase somewhat Monday.

Below are the readings from the Canyon Weather Station on the campus of West Texas State University. These are for the days of Feb. 7 through Feb. 13.

for the First Baptist Church for three years, and is presently assistant organist for the church while working with the Intermediate department. She also works with the church Sunday School.

Mrs. Dawdy was charter president for the Canyon Study Club which honored her in 1964 as the "most valuable clubwoman". She has also held about every office in the study club and served as a representative of the club on the Randall City-County Library Board.

As yearbook chairman for the Canyon Study Club in 1965-66, Mrs. Dawdy was justly pleased when the club's yearbook was selected "best in the state". She has also served on the Top of Texas District of the Texas Federation of Women's Clubs. She served as a district board member in 1963-64 and was executive secretary for the district board in 1965-66.

A native of Canyon, Mrs. Dawdy is the daughter of Mr. and Mrs. A. B. Holt of Canyon. She has two sisters, Georgia Blackwell and Virginia Cotton, both live in Canyon.

Prior to her enrollment at WT last spring, Mrs. Dawdy served as secretary for Randall County Abstract, where her husband is associated.

Mrs. Dawdy was honored by the national publication of Outstanding Young Americans for her outstanding contributions and accomplishments in civic endeavors, religious, professional and political activities. The annual biographical selection includes 6,000 young women between the ages of 21-35 who have distinguished themselves in civic and professional activities.

The publication is a project of the Outstanding Americans Foundation, a non-profit foundation dedicated to recognizing and honoring outstanding Americans.

Also honored this year from Canyon have been Mrs. Linda Franks Elliott and Mrs. Carolyn Kiker Barrett, presently of Fresno, California.

with the highest scholastic marks. According to figures computerized for the registrar's office covering the 3 1/2 years ending with the fall semester, Kittle had a 2.97 average and Cathie's average was 3.0. Kittle has registered a B in one course during her college career to date and Cathie has all A's.

Barring misfortunes or upset, the two 21-year-old blue eyed blondes will rank as the two top students in average scholastic standing for a four-year period at the end of the current college year.

Cathie is a mathematics major, with a physics minor. Kittle is majoring in art. Both carry a 15 hour school load and work an additional 15 hours each week.

In high school at Sepulveda, California, they took about the same courses and came to Canyon for higher education. They spend most of their week ends and vacations with Mr. and Mrs. Thad Rodgers of Clarendon, an aunt and uncle.

News Brief

A council committee chairman's workshop will be held in two sessions Monday at the Farm Bureau Building for home demonstration clubwomen.

Committee chairmen from each of the ten county clubs will attend.

The morning sessions for health, safety and family life will begin at 9:30 a.m. Afternoon sessions at 1:30 p.m. will include citizenship, exhibits and recreation.

DICK CUMMINS, president of the Canyon Future Farmers of America, discussed plans for National FFA Week with chapter spon-

sors, James Walker, in background, and Marcus Phillips, right.

address Canyon High School students in an assembly at 10:40 a.m. Catlett's topic will be "Americanism". He is from Dalhart and serves as state vice president from Area I. He is a sophomore student at Texas Technological College in Lubbock.

Other events slated for FFA Week here will be "dress up" days Wednesday and Thursday for FFA students; and an all-school "western day" on Friday. Events will conclude Friday evening with a dance at 7:30 p.m. in the Junior Livestock Building. Admission will be \$1 per student. Music will be furnished by "The Tymes", formerly "The Jolly Roger" band.

The Canyon FFA chapter has 75 members. Officers of the chapter are Dick Cummins,

president; Steve Cooper, vice president; Mike Brannum, treasurer; Kyle Sunderman, secretary; Doug Breitling, reporter; and Ted Walker, sentinel. The national FFA organization has approximately 450,000 members with 9,000 local chapters in the 50 states and Puerto Rico.

The week of George Washington's birthday is chosen each year for the observance of National FFA Week. Although usually recognized as a revolutionary war general and first president of the United States, Washington's first love was the farm. He was one of the first in the nation to practice contour planting, crop rotation, fertilization and other soil conservation and improvement methods.

Buchanan's Eagles Tip Tulia Hornets

Coach Tom Buchanan's hustling Canyon Eagles used a hot fourth quarter to end the season on a winning note with an exciting 88-82 District 1-AAA victory over the Tulia Hornets in the CHS Gym Tuesday night.

Playing his last game for the Eagles, senior Robert Olsen made a memorable exit as he pumped in 26 points and pulled down eight rebounds to lead the Eagles to triumph. Three Canyon players joined him in double figures as Jackie Thrasher scored 19, Lon Conner 13, and Galen Davis 10.

With the game tied at 64-64 after three quarters of play, Canyon outscored the Hornets 24-17 in the final period to claim the win.

The scrappy Eagles, who were short on height against every opponent, completed their district schedule with a 4-6 record.

Buchanan had praise for the defensive play of Bob Gruner and Steve Butler, for the offen-

sive work of Olsen, Thrasher, Conner and Davis, and for the overall efforts of Chris Gerald and Kyle Sunderman.

Canyon trailed 21-19 after one period, but rallied to take a 39-38 halftime lead.

The teams were still even at 73-73 with four minutes left in the game, but Conner hit a lay up and three quick free throws for a five-point spurt, and Thrasher popped four foul shots in the last 26 seconds to put the Eagles out of reach.

Playing their last game as seniors were Galen Davis, Bob Gruner, Allan Hicks, Robert Olsen and Bill Swain. Andy Moreland, also a senior, was unable to suit out because of a back injury.

"This group has the best attitude of any seniors I've ever coached," beamed Buchanan. "Despite the losing record, their effort has made this my most enjoyable year of coaching. They never gave less than their best."

GALEN DAVIS (22) drives for the basket in Canyon's 88-82 win over Tulia that concluded the season for the Eagles. Davis, who scored 10 points in the clash was playing his final

game for Canyon, as were fellow seniors Bob Gruner, Allan Hicks, Robert Olsen and Bill Swain.

for remodeling, \$233,000 for new structures, \$50,000 for furniture and equipment, and \$40,000 for architectural fees. Jacobs added that planning and supervision in a new building would be easier than in the present facility.

"Lack of maintenance has caused it to deteriorate," M. B. Sims said of the junior high school building. He said the building "seemed suitable for remodeling". Cox and Sims recently made a tour of the facility.

After Fletcher Sims, local businessman, declared there was "no alarming explosion of students" over the past three years, Jacobs explained there were six empty rooms at Gene Howe Elementary, four at the junior high school, one or two at Rex Reeves Elementary, and none at the high school.

Fletcher Sims then said he had never heard his own youngsters complain of the junior high facilities, adding that one noted the building had "charm".

Fletcher Sims also played a recording from "Let Freedom Ring", telephone editorial from Amarillo. The recording criticized the decline of proper education in tax-supported institutions.

In other business, the board adopted a new policy governing conditions under which married students may attend school here.

The new policy was formulated, Jacobs said, after a court ruling making it illegal to force students to stay out of school one semester after they marry.

The new policy reads: "Married students under 21 years of age who are legal residents or approved transfers may attend Canyon schools only as a full time student. Married students will be eligible to take courses necessary to meet graduation requirements, but will not be eligible to take part in any school club or organization, athletic activity, band or vocal music activity, or any other extra-curricular activity sponsored by the school. In addition, married students will not be eligible to compete for or receive honors conferred by the school. Married students may take five (5) solid subjects regardless of grade classification in order to permit them to graduate within the shortest time possible."

While several school personnel were employed for 1968-1969, the trustees went into an executive session to discuss other personnel whose contracts expire this year.

Among those re-employed were Lawrence Brotherton, Bobby Phillips, Hobart McDonald, Dan Trev, Oscar Hinger, Luther Lawless, Dave Corley, R. D. Wheelock, Bryce Slack, Ocoee Holt, Carol Killingsworth, Robert Naylor and Conway Kuykendall.

Jacobs said Wednesday morning the executive session, which barred members of the press, was to discuss "all teaching personnel".

Decision to make a \$1 charge for tax certificates was approved. While no charge will be made for certificates when current taxes are paid, a charge of \$1 will be made for research on back accounts. The Randall County and City of Canyon tax departments both make certificate charges.

The trustees voted to sell a camper used by the Future Farmers of America and a 1954-model school bus.

Dr. Kenneth Waugh, Canyon, governor of Lions Club District 2-T1, is shown here with Mrs. Joyce Raymond of Conway at the Lions Club district mid-winter conference in Canyon last week end. Mrs. Conway had her sight restored through the High Plains Eye Bank after 11 years of blindness. The eye bank is a project of the Lions Club and was spotlighted during the gathering. (See story page 1).

Happy Roundballers Play For District

Both boys and girls basketball teams from Happy High School will be playing Nazareth squads today, Thursday, at Hart High School to decide the district championship.

The Cowboys defeated Lazbuddie Tuesday 69-32 and the Cowgirls bested Lazbuddie 55-44.

Mark Moudy and Mike Starker both scored 13 points for the Cowboys and Linda Mayes sank 30 baskets for the Cowgirls.

The girls game today will begin at 6:30 p.m. and the boys will hit the courts at about 8 p.m.

Youth Hurt In Canyons

A 14-year-old Amarillo youth was injured Sunday night when he fell near the Catarina Caves in Palo Duro Canyon State Park. Jerry Ferril, son of Mr. and Mrs. Bill Ferril of 1408 Highland in Amarillo was treated for head injuries and released from Northwest Texas Hospital in Amarillo following the accident.

Park Superintendent Jerry Mullican said Ferril was climbing an embankment when he slipped and struck his head. The accident occurred about 7:15 p.m.

'THE CAVE DWELLERS' cast members Kay Stewart and Randy Carver rehearse their roles for the William Saroyan drama to be staged at West Texas State University Wednesday through Saturday nights. The four performances, to begin at 8:15 p.m., will be in the WTSU Branding Iron Theatre. Student activity tickets may be used for admission and tickets will be \$1.50 for adults and \$1 for high school students.

Everyone is enjoying the weather by discing and plowing and fertilizing row crop land.

Mr. and Mrs. J. W. Wesley were in Tulia Tuesday on business. They went to Tulia to visit with Mr. and

Mrs. Troye Langston and others. Also visiting at the Langston home were Mr. and Mrs. Otto Langston of Vigo Park, Mr. and Mrs. Robert Langston, Denise and Bobby, of Dalhart and Mrs. Mary De-

witt of Tulia. Mr. and Mrs. J. W. Wesley were in Tulia Wednesday to visit with G. E. Wesley at the nursing home.

Mrs. Fern Wilson ran into the rear of another car at a stop sign in Canyon Monday, wrecking Edna Wilson's car. The man in the other car was taken to the hospital for observation but neither of the Wilsons were injured.

BY MRS. J. W. WESLEY

Mildred Wesley was at St. Anthony's Hospital Tuesday morning with her daughter-in-law, Margrette Wesley, who underwent surgery.

Mrs. G. E. Wesley was visiting her husband, G. E., Sunday morning. He had had chills Saturday night but was improving.

C. P. Rogers went to Canyon Wednesday to check on having

his car repaired.

Mr. and Mrs. D. L. Whitson went to Fort Worth last week end to visit with their son and his family, Mr. and Mrs. Jim Whitson and Dovie Machell and his brother and wife, Mr. and Mrs. Ernest Whitson of Itasca.

Mr. and Mrs. Richard Evans came home from the farm Friday evening. Their tractor was broken down and had to be put in the shop.

Were you ever chased by a skunk?

I was Sunday morning. About 10 o'clock I looked out the kitchen door and there was a skunk going toward the garage door.

Not wanting him (the skunk) in the garage, I started out to shut the door and Mr. Skunk saw me and charged. He ran into some wire and stood there and stared until he righted himself, then he came straight toward me.

I ran for the house with Mr.

Skunk about a foot behind me when I came into the kitchen. Jim finally killed him (the skunk) after firing twice with the shotgun and once with the .22.

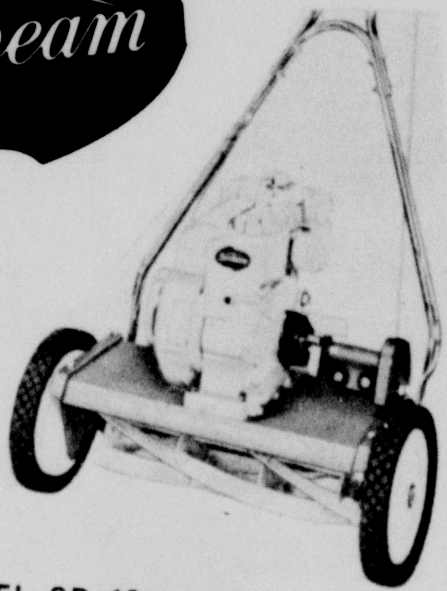

He was a stubborn old cuss!

Mrs. Richard Dana Burris

Miss Robinson Weds Burris In Tucson

Miss Patsy Robinson became the bride of Richard Dana Burris in a formal double ring nuptial ceremony read February 9 at St. Phillips in the Halls Episcopal Church in Tucson, Arizona.

The bride is the daughter of Mr. and Mrs. Edgar Robinson of Happy. She is a granddaughter of Mr. and Mrs. C. S. Davenport and Mr. and Mrs. E. C. Robinson.

Parents of the bridegroom are Judge and Mrs. Donald Salter Burris of Edina, Minnesota. His grandparents are Mr. and Mrs. Franz Jevne of Minneapolis, Minn.

Given in marriage by her father, the bride wore a formal gown of ivory imported silk organza over bridal taffeta with alencon lace and trimmed with iridescent crystals and seed pearls. The long bell sleeves were applied in lace and accented with pearls. The neckline had a standaway roll collar and the chapel train cascaded from the back shoulder line. Lace motifs accented the train. Her veil was a bouffant cascade of silk illusion attached to a cluster of pearlized orange blossoms. Her bouquet was a cascade arrangement of roses.

The bride presented her mother with a long stemmed white rose as she was escorted down the aisle. As she departed the wedding altar, the bride presented the bridegroom's mother with a long stemmed white rose.

The ceremony was performed before an altar flanked with two urns of white gladioli and seven branch candelabrum. The traditional white satin kneeling bench was used. Traditional wedding marches preceded the ceremony.

Miss Jean Robinson, sister of the bride, was maid of honor. She wore a burgundy pink full length formal with empire waistline and carried white mums.

Best man was Franz Burris. Ushering duties were shared by Mickey Murphy and Jon Burris, brother of the bridegroom.

Wedding guests were registered by Mrs. Franz Burris. A reception was held in the

Aztec Inn featuring a three-tiered wedding cake, mints, and punch.

A graduate of Canyon High School, the bride graduated from West Texas State University and went to Continental Airline hostess school. She taught English last year at Wakefield Junior High and was a publicity model for Continental Airlines during the summer. At the time of the marriage, the

Teen "Values" For AAUW Meet

A panel of teenagers will discuss "Values" at Saturday's regular monthly meeting for the Canyon chapter of the American Association of University Women.

The panel will be directed by Eddie Thomas, speech teacher at Canyon High School. Mrs. George Blackwell, 702 Taylor Lane, will be hostess for the 2 p.m. meeting in her home.

Mary Jane McManigal

Jaycee-Ette Tea Sunday

Canyon Jaycee-Ettes will honor former members and past presidents at an anniversary reunion and tea Sunday afternoon between 2:00 and 3:30 p.m. in the formal lounge of the Student Union Building.

Scrapbooks from the ten years activities of the club will be displayed during the tea hours.

bride was employed as an English teacher at Mansfield Junior High in Tucson, Arizona.

The bridegroom graduated from the University of Arizona and also earned the M. A. in English from the University of Arizona. He is presently in law school at the university. He is a past president of Beta Theta Pi fraternity.

The bridegroom's parents, Judge and Mrs. Donald S. Burris, were hosts for the rehearsal dinner at the Arizona Inn.

Johnson-Lorentzen Vows Solemnized In Illinois

Miss Sue Kathryn Johnson became the bride of Les Raynard Lorentzen in a double ring wedding ceremony February 2 in the Church of Christ in Paxton, Illinois with Rev. Vern Barr officiating.

The bride is the daughter of Mr. and Mrs. Hasket M. Johnson of Paxton and parents of the bridegroom are Mr. and Mrs. Osborne Lorentzen of Washburn, North Dakota.

Pianist, Mrs. Donald Robertson, played appropriate nuptial selections. The soloist was Miss Sharon Maulding. She sang, "More" and "The Lord's Prayer".

The candlelight ceremony was performed before an altar centered with candelabra and flanked by baskets of large mums and snapdragons. Church pews were decorated with bows and an aisle cloth was used.

Mrs. Charles Werner, sister of the bride, was matron of honor. She wore a floor length dress of cranberry red satin. The gown was empire styled with bell elbow length sleeves and an A-line skirt. Her head-dress was a matching ring hat with shadow veiling. She carried a colonial bouquet of white net and red rosebuds.

Bridesmaids were Miss Marsha Hill and Miss Cheryl Maulding. They were attired identically to the matron of honor.

The bridegroom's brother, Leslie Lorentzen, of Anchorage, Alaska was best man. Groomsman were Jim Redman, Poplar Bluffs, Missouri, and

Bill Hanten of Debuque, Iowa. Ushers were Mike Johnson, brother of the bride, and Charles Werner. Candelighters were Kent Houston and Tom Johnson, brother of the bride.

Sherri Strauss of Bayles Lake served as flower girl. She wore a floor length gown of red velvet and a tiara of white rosebuds in her hair.

Ringbearer was Jeff Banser of Bayles Lake.

Given in marriage by her father, the bride wore a floor length gown of white velvet designed with a high rise bodice, scoop neckline, and long sleeves which terminated in bridal points. The chapel length train was attached at the back of the waist with two bows. Her shoulder length veil of illusion was held by a seed pearl tiara and she carried an arm bouquet of red roses. Her only jewelry was a string of pearls and pearl earrings.

The bride's mother wore a brown sheath style dress with matching accessories for the

Miss Sikes Weds Tabor In Tahoka Church Rites

Miss Patricia Lee Sikes and William Roger Tabor were married in double ring nuptial rites read Saturday at the Tahoka Church of Christ with Doyle Kelsey, minister of Brownfield Southside Church of Christ, officiating.

The bride is the daughter of Mr. and Mrs. O. C. Sikes of Tahoka and parents of the bridegroom are Mr. and Mrs. V. L. Tabor of Quanah.

The couple will be at home in Quanah. A graduate of Tahoka High School and West Texas State University, the bride is active in Delta Zeta social sorority. Her husband graduated from Quanah High School and West Texas State University, where he was a member of Kappa Alpha Order social fraternity. He is presently farming and ranching near Quanah.

Given in marriage by her father, the bride wore a princess gown of organza veiled over peau de soie and hand-run alencon lace encrusted with seed pearls. The gown was designed with a portrait neckline and had fitted elbow length sleeves and a molded bodice featuring jeweled lace that drifted

into twin panels down the sides of the skirt. Her wattleau train swept to chapel length and repeated the jeweled lace motif. Her tiered veil of silk illusion was attached to a calot of matching lace highlighted with seed pearls and she carried a cascade arrangement of gardenias and stephanotis.

The church altar was decorated with a tree candelabra featuring votive candles and a basket of large white mums, flanked by other floral arrangements. Members of the Broadway Church of Christ choir in Lubbock sang "Twelfth of Never", "More", and "Wedding Prayer".

Matron of honor was Mrs. Billy Tomlinson, sister of the bride, from Tahoka. Other bridal attendants were Mrs. Tom Weltman of Abilene, Miss Carla Matson of Pampa and Miss Carolyn Bird of Canyon. Sheri Tomlinson, niece of the bride, served as flower girl.

The attendants wore identical gowns of American Beauty crepe, designed with bateau necklines and short sleeves. The floor-length A-line skirts flared from empire waistlines. Their headpieces were bows of matching velveteen and each

carried a cascade arrangement of white pom pom mums.

Best man was Melvin Tabor of Marysville, Kansas, a brother of the bridegroom. Groomsman were Weldon Tabor of Kirkland, Wiley Tabor of Quanah, both cousins of the bridegroom, and Buddy Patterson of Amarillo. The bride's nephew, Gordon Tomlinson, served as ringbearer.

Ushering for the occasion were Bobby Barker of Hereford, Joe Gayle Baker of Quanah, Gene Finley of Lubbock and Dean Eubank of Canyon.

The couple was honored with a reception in the home of the bride's parents. Members of the reception houseparty were Karen Doughton of Amarillo, Suzanne Goodman and Lynda Hughes of Canyon, Mrs. Stanley Bergstrom of Stanton and Mrs. Charles Sparkman of Quanah.

For travel, the bride changed to a coral dacron suit with full length coat. She complemented the ensemble with a matching hat and black patent accessories and wore a gardenia corsage, lifted from the bridal bouquet. The couple spent their wedding trip in Houston.

**THE CHINESE
HAD A GOOD IDEA**

In ancient China, people paid their Doctors to keep them well. Any time someone got sick, their Doctor was not paid. This could be possible here, providing our Doctors are given the opportunity to properly take care of you.

It is a fact now, that too many people are constantly taking home remedies which give only a temporary relief till the next dose. Too often, when they finally consult a physician the damage has become serious and the body has been ravaged so that a cure becomes difficult. Some self-treatments are good, but if the condition for which they are taken keeps returning, you need a physician.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound and dispense yours?

JUDGE MARY LOU ROBINSON, standing left, was guest speaker for Zeta Delta chapter of Delta Kappa Gamma Society Saturday. Also pictured are Mrs. Boyd M. Webb, standing center, Mrs. J. W. Lindsey, standing left, and Mrs. J. D. Strickland, seated.

Judge Robinson Speaks To Women

Mary Lou Robinson, Judge of the 108th Judicial District, spoke to members of Zeta Delta chapter of Delta Kappa Gamma at a coffee Saturday morning in Canyon.

Judge Robinson is one of two honorary members of Alpha State (Texas) Organization. The title of her address was "This Land Is My Land—What Is Good Government?" Her opening remarks were "I woke up this morning in the United States of America, and my guess is that you did, too. This fact makes us among the most blessed of all the peoples of the world."

In discussing the obligations of citizens in our democratic society, Judge Robinson said, "We did not earn the silver spoon in our mouths; it was given us on a silver platter."

She gave statistics showing that the people who profess allegiance to the democratic form of government are in the minority in the world today, and therefore, must strive harder to preserve this form of government. She mentioned the following ways in which we as citizens can make our contributions: (1) examining and instigating needed changes in crime prevention legislation, (2) earning the respect of our youth by being law abiding citizens, and (3) by serving in such functions of society as education, voting and jury service. Judge Robinson concluded her program by stating that "Good

government is not something that happens in Washington, D. C.,—it starts right at home."

Thirty members of the Zeta Delta Chapter attended the meeting which was held in the home of Mrs. J. D. Strickland. Mrs. J. W. Lindsey, president, was in charge of the business session and Mrs. Boyd M. Webb introduced the program. Mrs. James M. Boswell gave patriotic music.

Hostesses for the occasion were Mesdames Royal Brantley, L. M. Cousins, W. F. Haggard, Oscar Hinger, J. C. Newton, Emmitt Smith, J. D. Strickland, W. R. Wilson and Miss Mae Simmons.

Next meeting for the group will be March 16 at the home of Mrs. Patsy Morris, 3607 Terrace Drive, Amarillo.

Palo Duro MILs Meet

Palo Duro Mother-in-Law Club met at the Fred Marshall home Friday with Mae Johnson and Mrs. J. L. Hilgenfeld as co-hostesses.

The program was opened with the club song "Smile" and guests were D'Jelma Smith and Mrs. D. C. Dean. Mrs. H. E. Campfield, president, was in charge of the business meeting which included a devotional by Mrs. Clark McClendon on Romans 13:8-10 and poems "Why I Love You" and "Where There Is Love".

Jewell Crawford read "It is a Pretty Good Plan to Forget It". Mrs. Fred Marshall gave a poem entitled "Your Friendship". Mrs. Francis Dolcater and granddaughters, Patricia and Judy Britain, entertained the group with piano, violin and accordion selections and Judy Britain read a poem "I Know An Old Woman".

The program included a Valentine exchange. Next meeting was set March 8 at the Win Matsler home.

Present were Mesdames George Barker, Jewell Barclay, Alice Black, H. E. Campfield, W. R. Crawford, D. M. Foster, Gladys Haines, J. P. Hammons, J. L. Hilgenfeld, Mae Johnson, Win Matsler, Clark McClendon, Fred Marshall, Paul Rogers, Rae Walters, Leonard Winters, Bill Money and E. H. Wright.

COOK OF THE WEEK Shares Three Favorites

BY LORENA MILLER
Mrs. James Bryan shares recipes for Jenny's Pickles, Lemon Jello Salad, and Mother's Hot Rolls with our readers this week.

Mrs. Bryan, the former Pat Miller, is the daughter of Mr. and Mrs. Fred Miller of Channing. She has a brother, Bob Miller in Plainview; and three sisters, Reta and Cathy Miller of the home and Mrs. J. R. Blackwell of Channing.

A graduate of Claude High School, Mrs. Bryan is currently enrolled at West Texas State University where she is majoring in business.

The Bryans were married December 1954. He is presently a business major at WTSU and is employed with Southwestern Bell Telephone Company.

Active in Calvary Baptist Church, Mrs. Bryan teaches an Intermediate Sunday School class and the couple's two daughters, Twila and Tawnya, play the piano for younger Sunday School groups at the church.

Twila, 10, is a fourth grade student at Rex Reeves Elementary School. She is a member of the Girl Scouts and in addition to other church activities is a member of the junior choir at the church.

A third grade student at Rex Reeves, Tawnya, 8, is a member of the Brownie Scouts.

Mrs. Bryan said that her husband's favorite pastime is with do-it-yourself projects and television repair work.

Sewing is a favorite project for Mrs. Bryan who sews for her self, daughters and others in her family. She also likes cooking and likes free time to do oil painting and mosaic crafts.

Her favorite recipes are:

JENNY'S PICKLES

4 qts. cucumbers
1 head cauliflower
6 onions
2 green peppers
1/3 cup salt
5 cups sugar
5 cups vinegar
1 1/2 tsp. turmeric
1 1/2 tsp. celery seed
2 Tbsp mustard seed (whole)
Slice cucumbers. Add sliced pepper, onion and broken cauliflower with salt. Cover with cracked ice and let stand three hours. Drain.

Combine sugar, spices and vinegar. Bring cucumbers to boiling point in vinegar mixture. Reduce heat to keep hot. Place cucumbers in sterile jars and add liquid. Seal while hot. No waiting to serve.

LEMON JELLO SALAD

(Can be used as a salad with the meal or after-dinner dessert.)
2 pkg. lemon jello
1 qt. hot water
1 lg. can crushed pineapple, drained.

Brazzil's topic was "Know Our Alkaline Soil". The meeting was held in the home of Mrs. C. W. Samples and Mrs. Rae Walters as co-hostess.

Next meeting of the group will be at the Joe Frank home, 1214 Fifth Avenue, March 14 with Mrs. H. T. Carr as co-hostess. Boone McClure will be the speaker. His topic will be "Know and Grow Home Remedies".

Present for Thursday's meeting were Mrs. Gladys Haines, a guest, and members, Mr. and Mrs. Ed Weeks, Mr. and Mrs. Harley Burrus, Mr. and Mrs. Keith Poole, Mr. and Mrs. A. K. Goodman, Mr. and Mrs. Joe Frank and Mesdames Jeannette Robbins, Bill Money, Rae Walters and C. W. Samples. Refreshments and decorations featured a Valentine theme.

drained.
4 bananas sliced
16 reg. size marshmallows, cut in quarters.

Dissolve jello in hot water. Cool. Add crushed and drained pineapple (Reserve 1/2 cup of the pineapple juice for dressing.)

Let stand until it begins to jell. Add bananas and marshmallows. Chill until firm in a 9x13x2 dish. Spread with following dressing and sprinkle top with nuts.

DRESSING
2 Tbsp flour
2 Tbsp butter
1/2 cup sugar
1 egg
1/2 cup pineapple juice
2/3 cup water
1 cup whipping cream
1 cup nuts

Stir flour, butter, sugar and egg together. Add pineapple juice and water. Cook in top of double boiler until thick. Cool.

Whip cream until stiff and fold into cooled mixture. Spread on jelled salad. Sprinkle top with nuts.

MOTHER'S HOT ROLLS

1 cup milk
1 cup water
4 Tbsp sugar
4 Tbsp shortening
1 tsp. salt
1 pkg. dry yeast
1/4 cup lukewarm water
3 1/2 to 4 1/2 cups flour

Scald milk and water. Remove from heat and add sugar, shortening and salt. Stir until dissolved. Set aside to cool to lukewarm.

Combine yeast with the 1/4 cup lukewarm water. Allow yeast to dissolve. Stir yeast mixture into scalded milk which is cooled to lukewarm. Add flour to make a soft dough. Knead into a smooth ball and allow to rise until double in bulk (about 2 hours at room temperature).

Knead and form into rolls. Place in greased baking pan. Let rise again until doubled in size. Bake at 375 degrees for 15-20 minutes until done.

Easy basic batter is also good for cinnamon rolls, or loaf bread.

You say you fell out of a tree and it'll be eight weeks before you're back in school?

Cheer up. Even Tarzan mis-times a leap now and then.

And don't give up on your school work. We've made it possible for many shut-in students to attend classes even though they're confined to bed. Our school-to-home service is the answer. It's a two-way communications system that lets the student speak and listen to anyone in the classroom.

It's helped many a bright youngster through some pretty gloomy confinements.

After all, we've had years and years of practice in developing phone arrangements for special problems. We offer phones for hard-of-hearing people, blind people, people who can't use their hands—phones so kids in bed can be in school.

We'll be glad to tackle your problem, too. Just call the telephone business office.

Maybe we can help.

Vietnam Topic For Lutherans

St. Paul Lutheran Church and Student Center will sponsor a public session Friday at 7:30 p.m.

Topic of the program will be "Vietnam" with Lt. Col. Billy R. Smith, professor of military science at West Texas State University, and Dr. John Kahler, assistant professor of history, as guest speakers.

Lt. Col. Smith, who has served two tours of duty in Vietnam, will show a series of slides. The program will consist of the history, geography, and military outlook in Vietnam.

Rev. Samuel Nafzger, pastor, extends an invitation to all interested persons. The program will be concluded with pie and coffee served by the Lutheran Women's Missionary League.

CCTA Hears Miss Buford

Betty Buford, immediate past president of the Texas Classroom Teachers Association, was guest speaker at last Tuesday's meeting of the Canyon Classroom Teachers Association held at the Junior High Building here.

Miss Buford spoke on "politics in good government" and urged that teachers take an active part in politics to know the legislators and make themselves known to the legislators.

Miss Buford has been active in Classroom Teachers Association for 17 years, nine of which were on the executive board of the local CTA, seven years at the state level and four years on the state executive board. She served as a teachers representative for the National Classroom Teachers Association and is a member of the educational policy commission of National Educators Association. She is a member of the editorial advisory board of "Education Digest".

For the past five years, Miss Buford has served as a counselor for Plainview High School. She had previously taught creative writing, English and journalism for 16 years.

Mrs. Boone McClure was in charge of refreshments for the local meeting last Tuesday.

"Cave Dwellers" Slated At WT

The Fine Arts Department at West Texas State University will present William Saroyan's "The Cave Dwellers" in the Branding Iron Theatre

Wednesday through Saturday. The four performances, scheduled to begin at 8:15 p.m. in the BIT, will be directed by William A. Moore, WTSU

associate professor of speech. The box office opens Monday and WTSU students will be admitted with their activity tickets. Admission for adults is \$1.50 and \$1 will be charged for high school students.

Those in the cast from Canyon include C. T. Caballero and John Brandon.

Saroyan's two-act ten-scene play was performed in the Bijou Theatre in New York 98 times during its 1957-58 season.

The "cave" is an abandoned stage of an East Side theatre where a once-great actress, former top-flight clown and broken prize fighter find shelter.

News Brief

WALTER GRAHAM recently purchased a top Hereford herd bull for his herd during the National Western Hereford Sale in Denver, Colorado. Graham purchased the bull for \$3,000 from Tommie M. Potts of Memphis, Texas.

Abandoned Crops Must Be Reported

All wheat, feed grain and cotton crops abandoned due to natural causes must be inspected by the Randall County Agricultural Stabilization and Conservation Service before being destroyed according to ASCS Officer Manager Donald F. Lloyd.

The "natural causes" can be drought or hail, he said, and the inspection is to make the farmers eligible for history and price support pay-

ments. "This means," Lloyd explained, "if you have abandoned some of your wheat acreage and you need the acreage credited for history and or price support payment purposes, you must file a written request with this office to get the acreage inspected before it is destroyed."

A determination must be made by the ASCS County Committee, he added, that the acreage was farmed in a workmanlike manner with the expectation of producing a normal crop. The producer is required to pay the cost of the farm visit.

Community Concert Slated February 26

Canyon Community Concert Association will present the Beaux-Arts String Quartet in a performance February 26 in the Canyon High School auditorium.

The performance, which begins at 8 p.m., will be open to CCA members and their guests, along with out-of-town CCA members from other communities.

The quartet will present selections from Beethoven, Schumann and Ravel.

Quartet members include Charles Libove and Bernard Eichen, violins; John Graham, viola; and Bruce Rogers, cello. In 1965, the Beaux-Arts

Quartet won the Walter W. Naumberg Foundation's first chamber music award with a prize of \$20,000, the largest prize ever given in a music competition.

The quartet has won acclaim throughout the United States, Europe and the Far East, where it represented the United States at the Osaka Festival in Japan. During the 1966 season, the quartet was engaged for the third time as a resident quartet at the Festival of Two Worlds in Spoleto, Italy and

was also presented in concerts Cologne, Brussels, Paris, Salzburg, Berlin and Stuttgart.

Artworks Presented To School

Rex Reeves Parent-Teacher Association has recently presented a collection of 50 art reproductions of renowned artists such as Picasso, Renoir and Velasquez to Rex Reeves Elementary School.

"The permanent collection will be used in various art appreciation work in the classrooms," said Jean Lair librarian. Included with the painting is an art reference guide which gives the historical, sociological and artistic background of each reproduction and artist in the collection.

"The cultural arts committee of the PTA purchased the reproductions and had them mounted on poster board for us. They also attached each reproduction with holder hooks for easy use in the classroom," said Mrs. Lair.

Mrs. Lair said the reproductions will be indexed and filed by subject and will be used for filling the reproductions, such as children, animals, still life scenes, and others.

Mrs. Charles Pedersen served as chairman for the cultural arts committee for the PTA project. Assisting on the committee were Mrs. T. G. Hull, Mrs. David Ritter, Mrs. Edgar Sneed and Mrs. Bill Adams.

Blue-Gold Banquets For Cubs

A series of Blue and Gold banquets for Cub Scouts and their parents are slated for February.

Marion Allen's Cub Pack 66 will hold their banquet tonight, Thursday, at 7 p.m. in the First Christian Church fellowship hall. Activities will include the pot luck supper, awards by the cubmaster, and program by the various dens.

Cub Pack 31 will have a Blue and Gold affair Friday night in fellowship hall of the First Methodist Church. Meade Michael, cubmaster, will be in charge of the awards ceremony and members of the various dens will present the program. The event begins at 7 p.m.

Pack 97 has scheduled their banquet for February 24 at Rex Reeves Elementary School cafeteria, according to Norman (Smoke) Stover, cubmaster. The event, which begins at 6:30 p.m., will include a pot luck supper and a program of awards for the boys and their parents.

Calvin Davis, cubmaster for Pack 131, sponsored by the First Presbyterian Church, is currently planning the group's banquet for late February. The date has not been announced.

Each of the four Cub Scout Packs in Canyon will conduct the annual banquets as "parent-son" occasions.

Nominations Accepted For WT Faculty Award

Nominations for the third annual West Texas State University Faculty Excellence Award, which is being given by the West Texas Ex-Students, Inc. board of directors, are being accepted.

The award, designed to recognize a member of the WTSU

faculty for work during the 1967-1968 academic year, will be presented at the Sixth Annual Phoenix Club Dinner during WTSU Homecoming Activities in October.

The person nominated, said Vaughn Vandergriff, executive secretary for the exes, should

have demonstrated a keen desire to upgrade the WTSU academic image.

To be eligible for nomination the faculty member must have been engaged in a minimum of six-hours of classroom instruction for each of the two semesters.

Nominations may be made by the head of any department, group of five members of the faculty or a group of 25 students.

Applications should be mailed to departments by today, Thursday. Deadline for nominations is June 15 and the applications should be taken to the exes office in the Student Union Building or mailed to Box 244, WT Station.

Music Department Summer Programs

The music department of West Texas State University has announced summer workshops which will run through most of June and July.

The piano workshop, for piano teachers, graduate students and undergraduate students with advanced standing will begin June 3 and run through June 7. The sessions, from 1:30 to 4:30 p.m., will be conducted by George Anson, head of the piano department at Texas Wesleyan College.

Dr. Houston Bright, professor of music and conductor of the University Choral at WTSU, will supervise the choral conductors' workshop June 10-14. The sessions, from 1:30 to 4:30 p.m., will be for public school and college choral directors, church choir directors,

Heart Film Set Friday

"The Twentieth Century Epidemic", a film dealing with the effects of heart disease, will be shown at Friday's meeting of the Canyon Kiwanis Club, according to a spokesman for the Randall County chapter of the American Heart Association.

The film was shown earlier in the week to noon meetings of the Rotary Club and the Canyon Lions Club. Dr. Marion Guidry will attend the film session and conclude the program with a question-answer session.

A citywide canvas for the heart fund is slated in late February, according to Lee Roy Moreland chairman. The canvas is expected to be conducted by local scouts.

graduate students and undergraduate students with advanced standing.

The music education workshop, June 17-21, also will be from 1:30 to 4:30 p.m. In charge will be Marie Hill, consultant in music education for the Texas Education Agency. This workshop will be for elementary classroom and special music teachers, music consultants and supervisors, graduate students and undergraduate students with advanced standing.

Dr. Clarence Sawhill, director of bands at the University of California at Los Angeles will conduct the concert band workshop July 14-26 in conjunction with the West Texas Music Camp. This is for high school and junior high school band directors, graduate students and undergraduate students with advanced standing.

The final workshop of the summer program will be for marching band directors, graduate students and undergraduate students with advanced standing. The dates are July 20-21. In charge will be William Moffit, director of the Michigan State University marching band. Moffit is a band arranger whose publications are in wide use by high school and college band directors.

Choirs Set Festival

Youth Choir Festival will be held February 24 at the First Baptist Church of Amarillo at 7 p.m.

The youth choir of the First Baptist Church, Canyon, will participate in the event, according to Hugh Sanders, director. Choir members are requested to be present at the Canyon church at 5:30 p.m. Feb. 24 for a rehearsal and the group will then depart for Amarillo.

Rex Reeves Science Fair Scheduled

Science Fair for Rex Reeves Elementary school students is slated to be judged March 1, according to Bryce Slack, assistant principal.

Exhibits will remain on display throughout Texas Public School Week, and the four "best of show" entries selected will then be taken to the Texas Panhandle Science Fair April 5-6.

The school fair is divided into seven divisions and judges not associated with the school will be used, according to Slack.

Drill Meet Is Saturday

Teams from five area colleges are expected here Saturday to compete in West Texas State University's second annual intercollegiate drill team meet.

Sponsored by Scabbard and Blade, honorary military science society, the meet will be staged on the fields north of Jarrett Hall. Events start at 12:30 p.m. and are open to the public.

Invited to participate are drill teams from Reserve Officers' Training Corps units at Texas Technological College, Texas A&M University, New Mexico State University, and New Mexico Military Institute. The WTSU drill team will also compete.

A newly organized girls' drill team at WTSU will compete against coed teams from Texas Tech and the University of Texas at El Paso.

Teams will be judged on inspection, basic drill, and individual drill. Three men from the Marine Reserve Advisory Unit in Amarillo will be judges.

Rites Conducted For A.E. Brown

Funeral services for Alfred Ernest Brown, 94, were conducted Friday at LaGrone Funeral Chapel in Canyon.

A longtime resident of Canyon, Mr. Brown died February 8 at LaCasa Canyon Convalescent Home where he had been a resident since January 1968. He had lived just south of Canyon for a number of years, having moved to Randall County from Roanoke, Virginia in 1911.

Born in Shelbyville, Tennessee October 1, 1873, he married the former Lucy Cooper Bomar October 1, 1900 in Colwell, Tennessee. He was a retired farmer, member of the First Presbyterian Church, Knights of Pythias, and the IOOF Lodge.

Services were conducted by Rev. Baldwin Stribling, pastor of the First Presbyterian Church of Canyon, with Rev. Strauss Atkinson, pastor of First Baptist Church, Canyon, assisting.

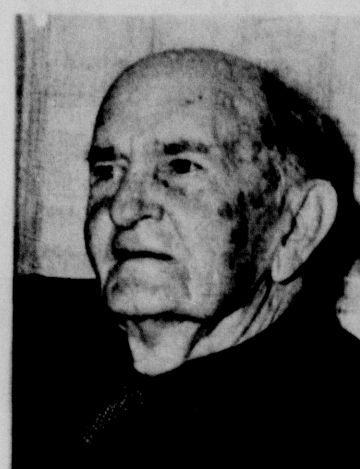

Interment was at Memory Gardens under the direction of LaGrone Funeral Home.

Active pallbearers were Clarence E. Thompson, John

Whinnery, Jack Tillinghast, James Cole, Jack Downing, Charles E. Wright, Benny Cooper and K. H. Olsen.

Honorary pallbearers were L. L. Hix, Gus Miller, Arthur M. Olson, Clarence L. Thompson, Levi Cole, and J. W. Spencer.

Survivors include his wife, Lucy of Canyon; four sons, W. H. Brown, D. A. Brown and A. G. Brown, all of Canyon, and E. B. Brown of Gainesville, Texas; five grandchildren and one great-grandchild.

Full House For Recital

Soprano Joe Ella McGee Cansler's recital attracted almost a full house Monday in spite of a swirling snowstorm around the Fine Arts Building, where the performance took place in the auditorium.

The Hereford senior sang selections from Haydn, Handel, Spohr, Schubert, Rachmaninoff, Gounod, Puccini, Ralph Vaughan-Williams, and William

Schuman. She also sang "We'll Go No More A'Roving" and "With Rue My Heart is Laden" by Royal Brantley, associate professor of music at West Texas State University.

Stanley Potter, instructor in music, was the accompanist, and Terry Milligan, clarinetist, assisted in the Spohr and Schubert renditions. Milligan is a senior music student.

The Ph.D. in mathematics has been received by William P. Cooke, Jr., associate professor of mathematics at West

WILLIAM P. COOKE, JR.

Texas State University. Dr. Cooke completed work for his doctorate in January at Texas A&M University. His doctoral dissertation was "Convex Programming Applied to the Estimation of Parameters of Definite Quadratic Forms and to Related Tests of Hypotheses."

Dr. Cooke joined the WTSU faculty in 1964. He earned his B. S. degree from West Texas State, and his M.S. from Texas Technological College. He also studied at Oklahoma State University and the University of Houston.

Educational Films Tell Cancer Story

Educational films on cancer are available to local groups for viewing through the Randall County unit of the American Cancer Society.

The films have been listed for showing to three local groups already, according to Mrs. Hosea Foster, chairman. Other civic clubs, women's clubs, church and school groups desiring to use one or a series of the films for a program should contact Mrs. Foster, OL-5-3094, as soon as possible to list the desired meeting date and select the film.

The films average about 20 minutes showing time and are 16 millimeter, according to Mrs. Foster. Literature correlated to the films is also being furnished by the Randall County Unit.

Thirteen films, ranging from biological studies to an introductory cartoon, are presently available. Also included in the series are films designed for the smoking teenager and adult, and other special emphasis films.

Cub Sessions Begin Today

Training sessions for Cub Scout leaders and parents will be held in Canyon today, Thursday, through Saturday, according to Ralph Mardis, district commissioner.

Sessions today will begin at 10 a.m. with "The Den Meeting" until noon. Afternoon sessions today will be "Pack Management" from 1-3 p.m.; "Den Operation" from 3-5 p.m.; and "The Cub Scout Program" from 7-9 p.m.

Friday's sessions will include "The Den Leader Coach" from 10 a.m. until noon; "The Pack Meeting" from 3-5 p.m.; and "Planning The Cub Scout Program" from 7-9 p.m.

Saturday sessions are "The Den Meeting" from 10 a.m. until noon; "Pack Management" from 1-3 p.m.; "Den Operation" from 3-5 p.m.; and "We-belos Den Operation" from 7-9 p.m.

Local Cub Scout leaders, den mothers, and interested parents are urged to attend the training sessions, which will all be held at the First Methodist Church.

Miller is a teacher at the George Washington Junior High School in Houston.

Dr. Tolliver is to attend an executive committee meeting of TACT Saturday in Austin.

Miss Williams In WT Recital

Grace Williams, a Canyon senior at West Texas State University, will give a piano recital in the Fine Arts Auditorium on the campus at 3 p.m. Sunday.

Miss Williams, daughter of Mrs. Ed Williams and student of Matilda Gaume, will perform in partial fulfillment of the requirements for a degree of bachelor in music.

She will play selections from Bach, Beethoven, Scriabine, Brahms, Debussy and Schumann.

Miss Williams is organist for the First Congregational Methodist Church in Amarillo.

Dean's Roll For G.Shell

Gary Shell has been listed on the Dean's Honor Roll for the fall semester at Southwestern State College in Weatherford, Oklahoma.

Shell will receive a tuition scholarship for his high academic standing.

A former student of Canyon Public Schools, Shell attended West Texas State University three years and served with the United States Navy.

He is married to the former Lou Ann Caballero, daughter of Mr. and Mrs. Emilio Caballero of Canyon. The couple has three children.
